FINAL TOUCH FINISHING SCHOOL

A Transforming week for young women...

Sixteen young women will have the opportunity to experience a life changing week at the world famous Garrett Creek Ranch located just NW of the Dallas Fort Worth airport. (www.garrettcreekranch.com)

The food and accommodations are first class at this corporate retreat center! This is not just another camp! Deborah King, and other experts in their field, will be working one-on-one with each student to help them master skills they will use for a lifetime.

How often do we experience something that for the rest of our life we say, "I remember when..."

"Confidence and an understanding of what you can be in life is what Final Touch Finishing School accomplishes. At age 18 our precious daughter Merrell was ready to venture out into the professional world. She had been given many opportunities from an early age to experience a wide variety of "life". However, we noticed she needed some important personnel skills refined. Deborah King's knowledge of image and fine etiquette details gave Merrell the perfect abilities to step out and begin her new journey with ease and confidence. Mrs. King, thank you for the boost you gave our daughter." ~ Lynn and Debbie Bryant
